I was put into a multi inmate single cell range at Franklin County Corrections building at 370 South Front Street, Columbus Ohio, 43215. phone number 614-525-3368, in early November 2017.

I just got done cleaning my one man cell, and a handicapt black man entered the open bar door with his arms crossed. I told him very ~~am~~ nicely to leave my space ~~alone~~ alone. He said make me. I stood up and he spit in my face. I pushed him out the door, and he begun to slap me in the side of the head. Then another inmate (both twice my size) grabbed my arms and held them from behind. Then the colored ~~mad~~ man took off his rubber sandals and started hitting me in the face with them. Then they both just walked away. It was the first time I met them both. There was a group of men who stayed in on cell, I had never even introduced myself to anyone on the entire floor.

I waited for the Sheriff Sheriff to show up and explained why my nose and mouth was bleeding.

Then I was forced out of my recently cleaned single cell and forced into disciplinary lock down holding cell, and I was ~~given~~ given disciplinary sheets to read and sign, I refused to sign them. I told the Sheriff guard that I wanted to appeal the hold, he just looked at me and walked away, I was very displeased because that it went as far as it goes. I was also very nervous and was in ~~that~~ anxiety shock which I ~~have~~ was being treated for by Dr. Elizabeth Hurst my mental health Dr. at Sun Valley 2200 West Broad Street, Columbus Ohio, phone number 614-752-0333 ext 2.

I had a cut top lip and was bleeding from my left ear and nose, and a Sheriff badgeless guard gave me a new razor, I asked if I was going to ~~be~~ be seen by a Dr. very ~~aggress~~ aggressively, he just kept walking by.

I was very, very upset, when I used the sink to break open the razor. Then I immediately started splitting my forearm six ~~times~~ times.

I stood in to the cell with my arm out of

the bars and a third ~~go~~ guard came ~~down~~ down the hall, he said, what the hell are you doing? and was very discouraged. The door opened and he grabbed me by the shoulder and pushed me down the hall to the nurses station or small Dr. office, the curly, ~~blond~~ snow white haired ~~m~~ l.p.n. grabbed my arm and ~~start~~ started running hot water ~~over~~ over my cuts, then she started slapping my forearm. I pulled my hand out of her hand and said "I'll do it". Then I noticed a mother female in the room, ~~I~~ ~~as~~ she was video recording the back of my head. I said "what are you looking at bitch". Then the nurse from Rappa-care said "what are you a faggot?" So I turned around and spit on her!

Then ~~seven~~ female cops grabbed me by the back of the neck and bent me ~~over~~ over and buckled my legs in, then spread my feet and handcuffed my ~~a~~ hands tightly behind me. They dragged me out of the room, down the hall to another room ~~with~~ with a table and sharp cornered ~~metal~~ metal filing cabinet ~~up~~ right in the middle of the large room, tight up against the wall.

Then the seven females yanked up my arms and crossed my left ~~arm~~ leg ~~in~~ behind my right one. ~~picked~~ picked me up off the floor ~~so~~ by my feet and slammed the left side of my chest right on my ~~ribs~~ ribs. it felt like the ~~filing~~ filing cabinet was going through my heart & valve it was just pumping into my veins and I kept seeing flashes from being hit in the head with a hammer.

The next thing I know I'm being slammed backwards into holocaust chair. My ^{hands} ~~arms~~ were still tightly squeezed into handcuffs with my thumbs backwards. They bent my ~~arms~~ arm connection to both of my shoulders in half behind me around the back of the very wide hard plastic chair, and it was all still being recorded. It felt like the my ~~stomach~~ shoulder and arms were being dislocated. I even ~~seemed~~ screamed my head off until I almost bit off my ~~teong~~ tongue off. I got kind of stoned numb, and couldn't set down in the chair all of the way, then my eyes werebugged out.

It is hard to say how long I was in the

toucher chair. but I know that I woke
up in the glass observation room completely
naked on the floor, bleeding from my arm
my nose, my lip and had a white substance
coming from me eyes.
